

## Connecting a Mac to the network

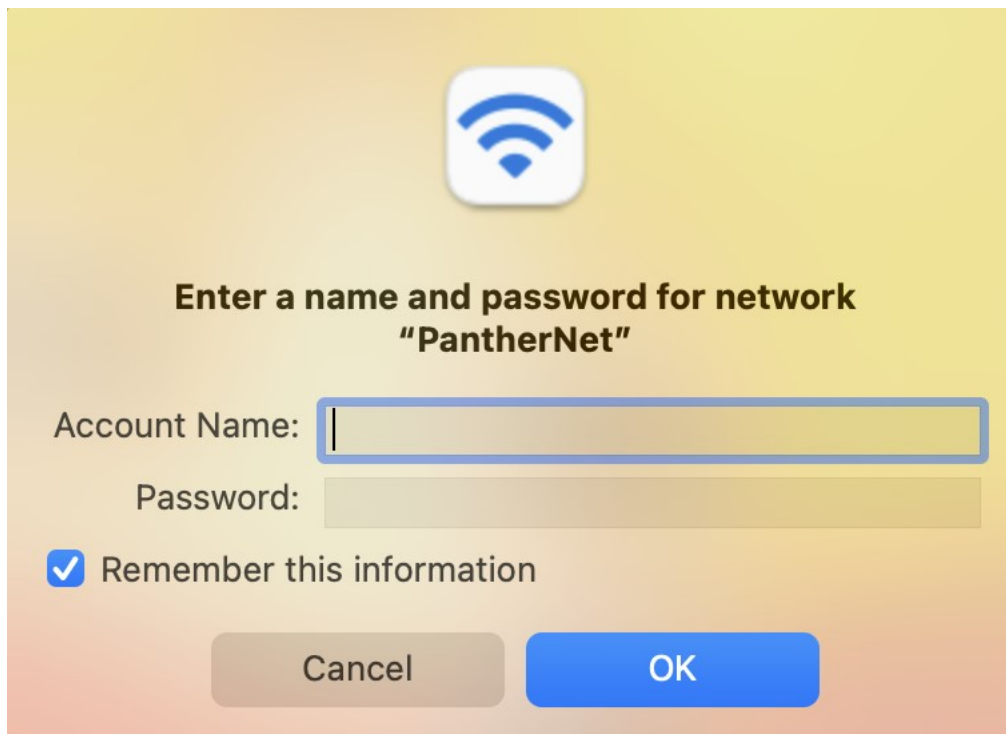

Step 1: Go to the Wifi icon on the top bar by the date and time and click on it.

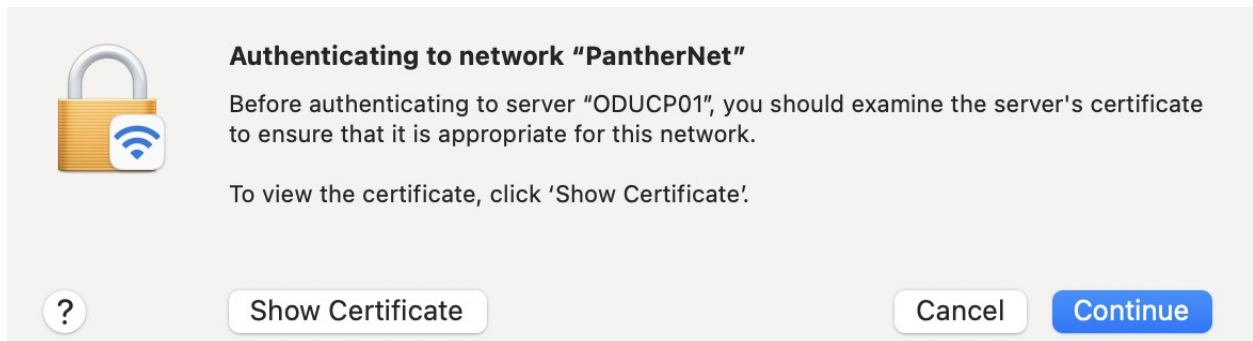

Step 2: It should display what networks or available. You will select PantherNet from the list.

Step 3: Once you have clicked on it, it will prompt you to enter in your ODU username and password.

Step 4: It will prompt you to verify the certificate, which you will click "Continue".

Step 5: Once you have clicked "Continue", you will be connected to PantherNet.
