

Connecting iOS devices to the wireless

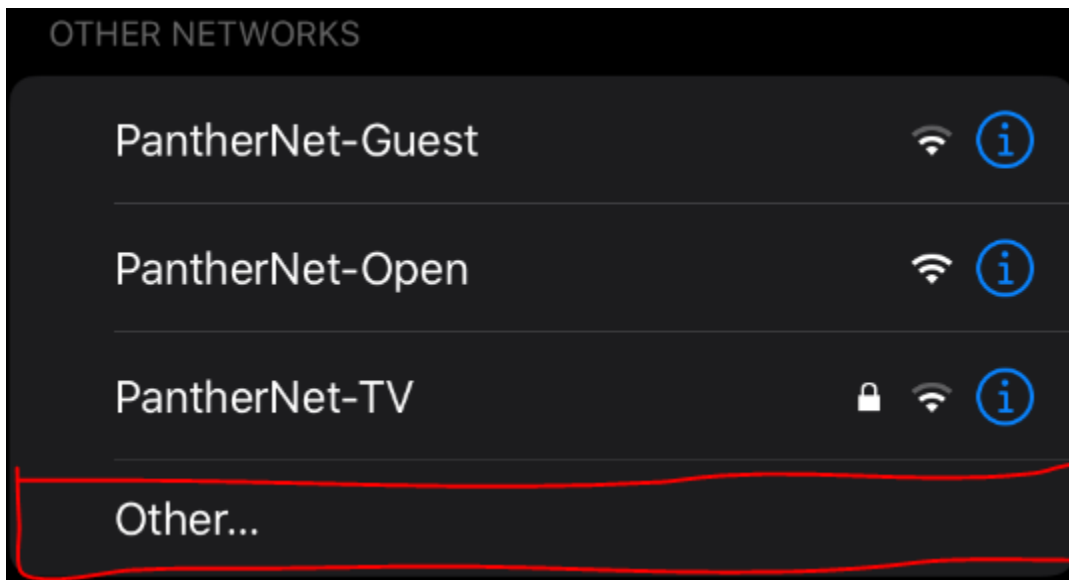

Step 1: Go to the Settings app.

Step 2: Select the Wi-Fi option.

Step 3: Select Other... from the list under Other Networks.

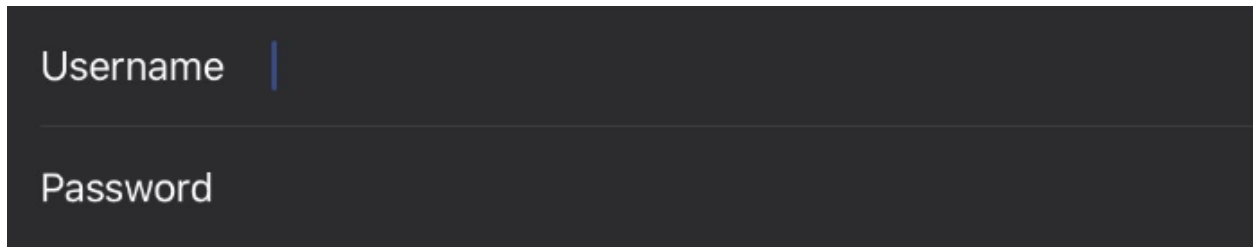

Step 4: Enter in the Network Name as PantherNet.

Step 5: Select WPA2 Enterprise as the Security type.

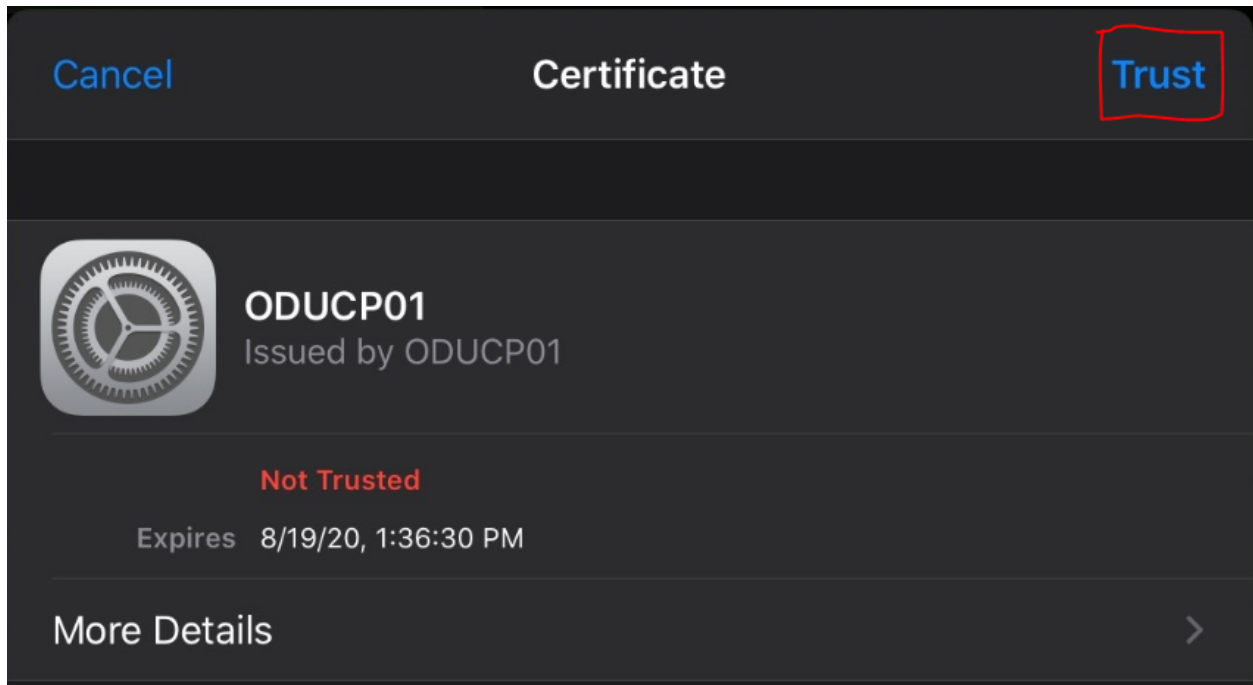

Step 6: Enter in your ODU username and password and then tap Join.

A dark-themed login form with two input fields. The top field is labeled "Username" and the bottom field is labeled "Password". A vertical line is visible in the Username field, indicating a cursor.

Step 7: Tap Trust in the top right-hand corner.

Step 8: A checkmark will show that you are connected to PantherNet.
